

SOMYA PRASAD SETHY

Next.js Developer | UI/UX | Vibe Coder | Branding Consultant

+91 70776 20947 · teams@polestudios.in · somya.pages.dev · polestudios.in · Cuttack, Odisha, India

PROFILE

Self-taught Next.js developer and visual creative with 3+ years of hands-on experience building immersive, high-performance web applications. I bring a filmmaker's eye for pacing and aesthetics from 2 years of freelance video editing, resulting in interfaces that don't just work but feel alive. Founder of Pole Studios. Open to remote roles worldwide.

PROFESSIONAL EXPERIENCE

Pole Studios | Founder & Branding Consultant

Oct 2025 - Present

- Founded and operate a branding and web development studio delivering commercial websites and digital products for clients.
- Developed a streamlined requirements-gathering process that reduced project delivery time by 15%.
- Improved client visibility into key performance metrics, enabling data-driven decision-making across organisations.

Freelance | Web Developer (Next.js)

Jul 2023 - Oct 2025

- Engineered and deployed immersive Next.js applications for various clients, consistently exceeding performance benchmarks.
- Recognised for cinematic UI design, GSAP animations, and smooth full-stack architecture.
- Worked directly with startup founders to translate business goals into polished, production-grade products.

Freelance | Video Editor

Jan 2023 - Oct 2025

- Collaborated with content creators on documentary and short-form video projects, managing production timelines and deliverables.
 - Created dynamic motion graphics and tracked engagement metrics to optimise viewer retention.
-
